Unleashing Creativity of Darshanites

The summer assignment assigned during summer vacations focused on exploring and showcasing the creativity of charismatic Darshanites. On July 01, 2025 creative Darshanites came forward with various innovative projects and ideas, reflecting their passion, imagination and originality. The assignment encouraged imagination, critical thinking and problem-solving skills, allowing charismatic Darshanites to think outside the box and bring their unique perspectives to life. The outcome was a collection of creative works that highlighted the artistic and intellectual abilities of Darshanites.

Mystic Land Medal Ceremony

On April 16, 2025, Darshan Academy Hisar organized the Mystic Land Medal Ceremony for primary classes, celebrating young learners for their curiosity and enthusiasm. Mystic Land is an innovative educational program that introduces students to global cultures, science, current events, and values through engaging storytelling.

Principal Ms. Jessica R. Kamble congratulated the medal winners for their outstanding performance and passion for learning. She applauded their dedication and encouraged all students to keep exploring the world with wonder.

The ceremony inspired joy and pride among students, teachers, and parents, highlighting the success of experiential learning in nurturing informed, creative, and confident young minds.

Welcome Back To School : A Joyful Return!

On July 01, 2025, Darshan Academy, Hisar warmly welcomed students back after the summer break. The day began with aerobics and fun activities, filling the school with energy and laughter. The Principal's motivational words inspired students to aim high and stay focused, instilling confidence and positivity. This vibrant start marked a promising beginning to a new academic year filled with learning, growth, and achievements.

"A New Beginning: Welcoming Hearts, Shaping Futures"

"At Darshan Academy, we grow not just in knowledge, but in love and light."

On April 11, 2025, Darshan Academy, Hisar held a special morning assembly to warmly welcome newly admitted students. Principal Jessica R. Kamble addressed the assembly and presented welcome cards to the new students, expressing joy and encouragement for their journey ahead.

New students from different classes introduced themselves, creating an atmosphere of friendship and inclusion. The event reflected the school's commitment to love, unity, and holistic development, making the new students feel valued and part of the Darshan family.

"Journey Within: Meditation Workshop for Enlightened Teaching"

"Meditation is the journey from sound to silence, from movement to stillness, from a limited identity to unlimited space."

On June 28, 2025, Darshan Academy Hisar hosted an enlightening Refresher Workshop on Meditation, gracefully observed by Ms. Sunita Arora, who beautifully highlighted the transformative power of meditation. She spoke in detail about its intellectual, emotional, and physical benefits, along with its profound impact on creating a peaceful world.

The workshop witnessed the enthusiastic participation of the educators of Darshan Academy, Hisar, who engaged in a variety of thought-provoking and reflective activities.

Their dedication, openness, and vibrant energy added great value to the session. Our Principal Ma'am, Ms. Jessica R. Kamble, inspired all with her visionary address, emphasizing meditation as the heart of value-based education.

"The best education is the one where school and home walk hand in hand to shape the future."

On May 31, 2025, Darshan Academy Hisar conducted a well-organized and engaging Parent-Teacher Meeting for Classes Nursery to XII, strengthening the vital connection between home and school. The session focused on sharing details about the Periodic Test-1 (PT-1) syllabus, paper pattern, and the purposefully planned summer vacation homework.

Teachers responded to parents' queries with care and provided personalized feedback on students' academic progress and behavior. Parents expressed their appreciation for the school's structured academic planning and child-centric approach.

Their enthusiastic participation reflected trust and collaboration, making the PTM a meaningful step toward the holistic growth of every student.
